

Support CANstruction®!

Please show your support by sponsoring the **USA Architects "CANbundance Team"** in our efforts to design and build a can-sculpture for the Philadelphia CANstruction event hosted by AIA Philadelphia and the Center for Architecture and Design! (July 13 – July 18, 2019)

This event brings teams of local architects, engineers, manufacturers, and contractors together in a competition to build giant sculptures made entirely out of cans of food. Displayed at the Bok Building in South Philly, the theme this year is Flourish! What comes to mind when you think of "flourish"? For us, we're thinking about community – the feeling of togetherness and how food plays a role in that. We're also thinking about how this fund-raiser will help others flourish as we join to help fight hunger. So we're creating a picnic scene! Who doesn't love picnics?

At the end of the exhibit, all the cans of food and money raised will be donated to **Philabundance**, the Delaware Valley's largest hunger relief organization, acquiring and distributing food to 90,000 people weekly in 9 counties within PA and NJ. CANstruction isn't just a food drive, however. **It's an event!** An event that draws crowds, makes headlines in the media, and encourages creativity, team building, and healthy competition.

Of the people Philabundance serves, 30% are children and 16% are seniors. Others who seek food assistance include people with disabilities, single parents, veterans, students and working class families. **Philabundance also happens to be one of USA Architects' clients; so we're working our hardest to help support them in more ways than one!**

And that's why we need your help! All of the cans for our sculpture must be purchased by us. Working with local food distributors, we will get the very best deal we can, but **we still need to raise up to \$4,000 to cover the cost of 3,750+ cans.**

Being a sponsor is easy; just choose the amount of positive exposure you would like your company to receive and **submit payment by June 14, 2019¹.**

The sponsorship levels include:

"ABUNDANT"	"BOUNTIFUL"	"PLENTIFUL"
\$500	\$250	\$100
<ul style="list-style-type: none">Everything in our "Bountiful" sponsorship levelReceive entry into a raffle to win a \$500 Voucher towards Philabundance Catering Services²	<ul style="list-style-type: none">Company Logo or Individual Name on Sculpture Poster During the EventShout Outs on our Social Media platforms	<ul style="list-style-type: none">Company Logo or Individual Name on Sculpture Poster During the Event

Please consider **becoming a sponsor** today to support our team and community. Any donation amount makes a huge impact! We look forward to making our design a reality, and with your support, we will be one can closer.

¹ USA Architects is not a 501(c)3 organization, therefore donations are not tax deductible

² Winner will be announced on social media and receive personal notification via email. Voucher valid on any single catering event until December 31, 2020.

WHAT IS CANSTRUCTION®?

Founded in 1992, CANstruction competitions are held annually in over 150 cities around the world raising millions of pounds of food. CANstruction's mission is to engage the passionate, talented and dedicated members of the design-build industry, raise awareness of hunger in our community, and provide hunger relief assistance by collecting canned food for distribution to local food banks.

OUR DESIGN TEAM

During the fourth annual Greater Lehigh Valley CANstruction last year, our team constructed the iconic Dory and Nemo from Pixar's Finding Nemo competing in the aCANemy Awards competition. Here is the [time lapse!](#) USA Architects has been participating in CANstruction events since 2007.

THE IMPACT

Hunger plagues every city and community around the world. Nearly 17.2 million households in the US alone are food insecure. CANstruction events raise awareness through a creative and educational medium and have the ability to consistently raise millions of pounds of food for hunger relief organizations each year. CANstruction proves every day that One Can Make a Difference®. CANstruction competitions and events have raised over 20 million pounds of food since 1992 to feed the hungry.

THE AUDIENCE

The 13th Annual Philadelphia CANstruction® Design Build Competition is July 13 to July 18. Our structure will be displayed to the public at The Bok Building, located at: 1901 S 9th St, Philadelphia, PA 19148.

Local television stations will cover this event. Our signage with your logo or name will be prominently positioned at our sculpture. The event has also been covered by [Philadelphia NBC](#) in the past. The awards ceremony gathers community supporters and participants to make the official donation to Philabundance and winners will be recognized during the ceremony on July 17, 2019 at 6:00PM.
